• 1/4 in x 50 ft [6.4 mm x 15 m] BlueMax II Airless Hose The RentalPro 210 Electric Airless Sprayer is built to be easily portable, but rugged enough to stand up to your most demanding customers. The 210's proven technology and design make it the perfect choice for the homeowner or the professional who sprays a wide range of coatings.

Heavy-Duty Frame

Rugged "roll cage" design stands up to harsh jobsite environment

► Small enough to fit into the trunk of a car

► Allows for hose storage

Power Flush cleaning adapter for fast and easy cleanup.

QuikAccess" intake requires only a hammer to access the intake ball.

What sets the 210/230 apart from other products on the market?

- ▶ Hour Meter allows rental store to determine if and how long the unit was spraying. This helps with gauging preventative maintenance requirements, and also allows the store to verify and quantify customer use
- ▶ Illuminated Plug allows for easy verification that the unit is receiving power
- One year bumper-to-bumper warranty on the unit, as well as a lifetime warranty on the motor and gear drive

The RentalPro 230 is a solid workhorse sprayer with performance points to cover both interior and exterior painting needs. Lightweight and portable, the RentalPro 230 is the ideal sprayer for rental yards.
